Article II
Negotiations Procedures

- A. The parties agreed to implement a Collaborative Bargaining Process beginning with the 1998-99 fiscal year within the authority of Chapter 447 of the Florida Statutes and any appropriate rules and procedures. Formal ratification votes on tentative agreements by the Board and bargaining unit shall be held semi-annually or as needed. Interim decisions to implement agreements before formal ratification shall be confirmed in writing in the form of Memorandum(s) of Understanding. Issues may be raised for consideration through the appropriate process at any time during the life of this agreement.
- B. If the negotiations described in this section reach impasse, the procedures as set forth in the Florida Statutes and/or PERC rules shall be followed. At the request of either party, a mediator shall be appointed subject to PERC guidelines. Subsequent to reaching impasse the parties may mutually agree to continue negotiations in an effort to reach further tentative agreements.
- C. This Contract may not be modified in whole or in part except by mutual written agreement. During the term of this Contract, except as otherwise provided herein by law neither party will be required to negotiate with respect to any matter whether or not covered by this Contract. While investigating the feasibility of contracting out any services performed by current employees, the Board agrees to notify the Union, seek its input, and share related information.
- D. If any provision or application of this Contract is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. The parties shall either meet within 30 days to reopen negotiations on that provision or application, or mutually agree to deal with the matter in subsequent negotiations.
- E. The agreements in this Contract shall supersede any rules, regulations or practices of the Board which are contrary to or inconsistent with the terms recorded herein.

The parties agree to equally share the responsibility of printing this Contract in a format and at a cost which are mutually agreed upon. The printing shall occur within six weeks after ratification by both parties.
- G. The parties agree that their representatives shall reduce tentative agreements to writing and that such agreements shall be submitted for ratification to the members of the bargaining unit and to the Board. The Board shall take action no later than at the next scheduled Board meeting following ratification by the employees unless the parties mutually agree to extend the timelines. Failure to ratify the tentative

agreements by either party shall make those tentative agreements null and void, and negotiations on those matters shall resume.

- H. The parties agree that should additional salary dollars become available, OESPA-CBLT will have the opportunity to reopen salary negotiations. Employees who serve on the bargaining team shall be granted early release to ensure adequate travel time. If bargaining sessions extend beyond midnight, employee team members shall not be required to report for duty prior to 9 a.m. on the following day.
- I. During the term of this Contract the Union and the Board recognize that events may arise which require a mutual interpretation or modification of this Contract that does not constitute a substantive change in employees' salaries or benefits. Under these circumstances, the parties are authorized to enter into a settlement agreement or memorandum of understanding expressing these interpretations or modifications. If such agreements are entered into during the term of this Contract, they will remain in effect until expiration of the Contract, until superseded by the Contract, or until mutually withdrawn by the parties.
- J. Operating Procedures and Guidelines:
 - 1. The Collaborative Bargaining Leadership Team (CBLT) shall be composed of equal numbers of OESPA members and District administrators.
 - 2. The CBLT shall participate in appropriate training opportunities designed to support the process and/or build skills essential to the success of the process. The CBLT may utilize the services of consultants to assist in the negotiations. Any cost incurred shall be shared equally by the parties.
 - 3. Define consensus as a status in which all members can support the decision and use consensus as the preferred decision making strategy in all decisions.
 - 4. Operate as an open forum to surface, explore and resolve issues of importance to OESPA and the District using District personnel as resources. The CBLT will solicit and value input from personnel affected by the outcome of the process.
 - 5. The CBLT will establish committees and will receive, review and make final decisions on recommendations from appropriate committees. All decisions are to be supported by data from those committees. All committee meetings will be accurately recorded.
 - 6. Communicate with employees through a variety of mediums.

- K. Provisions to submit issues to the CBLT

Article III

Grievance Procedure

- A. A grievance is defined as an alleged violation, misinterpretation or misapplication of a provision(s) of this Contract.
- B. General Provisions
 - 1. Only a member of the bargaining unit, a group of members of the bargaining unit, or the Union may file a grievance. Whenever the word "grievant" is used herein it may refer to any of the above.

2. Each step in the grievance procedure shall be filed on the standard form available from the Union office.
3. A party to the grievance shall be granted a three-duty day extension at any point in the processing of a grievance, provided the party notifies the other party prior to the date that the time period for that step would elapse. Duty days shall herein be defined as those days when District-level offices are officially open for business. These time limits may be expedited or extended by mutual agreement.
4. Whenever illness or other incapacity of a party to the grievance prevents attendance at a grievance meeting, the time limits shall be extended to such time that the party can be present. If, however, either party's representative is incapacitated beyond ten days, that party shall seek an alternative representative.
5. If at any step in the grievance procedure no disposition is made by the Board within the time limits prescribed for that step, the grievant shall have the right to proceed to the next step. If a grievance is not appealed within the time limits for that step, it shall be considered withdrawn.
6. If the processing of a grievance for a less than twelve-month employee extends beyond the close of his/her work year, the time limits prescribed herein shall be continued with "duty days" as defined above. Winter and spring breaks shall not be considered as duty days for these employees.
7. All grievance meetings shall be held during the workday, unless it would unduly interfere with work operations, and unless the parties mutually agree to hold such meetings at a time other than during the workday.
8. Nothing in this Article shall be construed to prevent an employee from presenting at any time his/her own grievance, and having such grievance adjusted, consistent with the terms of this Contract. The Union shall be notified upon request, of any meeting called for the resolution of said grievance.
9. A grievant may have representation by the Union at any step of the grievance procedure. Representation by the Union shall include the right to speak and to present arguments and evidence on behalf of the grievant.
10. A grievant may withdraw his/her grievance at any step, but that same grievance may not be filed a second time, unless it is of a continuous nature.
11. If at any point during the processing of a grievance, the grievant elects to seek resolution of a particular issue through a judicial or administrative agency proceeding, s/he shall waive, to the extent permitted by law, the right to pursue only that particular issue through the grievance procedure.

12. The Board shall assure the grievant and any witnesses freedom from restraint, interference, coercion, discrimination or reprisal in the processing of a grievance.
 13. The processing of a grievance shall in no way interfere with the right of the Board to carry out its management responsibilities, subject to the final decision on the grievance.
 14. To the extent required by law, all documents, communications and records dealing with the processing of an employee's grievance shall be filed in a separate grievance file, which is not part of that employee's official personnel file.
 15. If a grievance arises as the result of a condition which the supervisor is without jurisdiction to resolve, the grievance may be filed directly at Step 3.
 16. The parties agree to seek resolution of grievances at the lowest possible level.
 17. The Union shall develop a grievance numbering system and shall inform the Board of the grievance number and grievant's name when a written grievance has been filed at step 2.
 18. The parties agree that tape recording of any grievance meeting, other than an arbitration hearing, shall not be done without the express permission of all persons present.
- C. Grievances shall be processed as outlined below. The employee may choose to have representation at all steps of the process.
1. Step I: Good Faith Discussion

If an employee feels s/he has a grievance, s/he shall first meet and discuss the matter in good faith with the administrator in an effort to resolve the problem informally. The employee may have representation by the site association representative or his/her designee. The request for the discussions shall take place within twenty (20) duty days after the employee knew, or should have known, of the incident which is the basis of the potential grievance. The discussion shall take place within six (6) duty days.

In the discussion the employee shall advise the administrator of the particular section(s) of the Contract the employee believes was (were) violated, and how they allegedly were violated. The employee may also present a solution. Verbal dialogue is encouraged and may continue over the next six (6) duty days. At the end of the six (6) duty days, a resolution must be presented and agreed upon or the employee shall receive an explanation as to why the administrator believes the contract was not violated. Any resolution shall not

violate the contract and shall be reduced to writing by the site association representation and signed by the administration.

2. Step II: Written Grievance

Failure to reach an agreement or failure to respond in six (6) duty days will automatically move the grievance to Step II. The grievance form shall be obtained by the employee from the Association office. Changes to the grievance form shall be mutually agreed to by the parties.

If the discussion above does not resolve the issue satisfactorily, the employee may file a written grievance within ten (10) duty days following the employee's receipt of the administrator's response. The written grievance shall be presented by the employee during a meeting with the administrator. The written grievance shall contain:

- Specific date of alleged violation
- Date of Step I Meeting
- A concise statement of the facts upon which the grievance is based
- A reference to the specific section(s) of the Contract allegedly violated
- An explanation as to how the employee believes each cited section was violated
- A suggested remedy by the employee

Copies of the grievance shall be sent to the Employee Relations Department and the Association. A response shall be provided by the administrator, in writing, within six (6) duty days from receipt.

3. Step III: District Level Hearing

If the grievant is not satisfied with the disposition of the grievance by the administrator, s/he may appeal the grievance to the Superintendent/designee. Such appeal shall be made within six duty days of the receipt of the administrator's response, and include the scheduling of a meeting in an effort to resolve the dispute. The meeting shall take place within ten (10) duty days of filing and shall include the grievant, his/her representative if requested by the grievant and a member of the Employee Relations Department. Dialogue is encouraged to reach resolution prior to the meeting and both parties shall present any evidence to substantiate their position in the matter. Within ten (10) duty days of the meeting, the Superintendent/designee shall respond to the grievance in writing

4. Step IV: Mediation

If the grievant/Association is not satisfied with the disposition of the grievance from the District Level hearing, the grievance may be referred to mediation. The grievant/Association and the District shall mutually agree to submit a grievance to mediation. The grievant/Association shall notify the District in writing within six (6) duty days of the conclusion of Step II of the grievant/ Association's desire to refer the grievance to mediation. The District shall respond to the request for mediation within three (3) duty days of the written request.

- a. Within six (6) duty days following the agreement of mediation, the grievant/ Association shall notify the selected mediation service. The mediation conference shall be scheduled at a mutually convenient location and time.
- b. There shall be one designated spokesperson from each party at the mediation conference.
- c. The mediator shall have the authority to meet separately with either party, but shall not have the authority to compel the resolution of a grievance.
- d. The presentation of facts and considerations shall not be limited to those presented at Step II of the grievance procedure. However, new information shall be shared between the parties prior to the mediation conference. Proceedings before the mediator shall be informal in nature. There shall be no formal evidence rules. No transcript or record of the mediation conference shall be made. The mediator shall attempt to assure that all necessary facts and considerations are revealed to him/her. e, Written material presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference, except that the mediator may retain one copy of the written grievance solely for the purpose of statistical analysis.
- f. Fees and expenses shall be shared equally by the parties.
- g. Resolution through such mediation shall be reduced to writing and signed by all parties to the grievance.

5. Step V: Arbitration

If resolution is not reached through mediation or mediation is bypassed, the grievance may be submitted to arbitration. The grievant and his/her representative shall, within twenty (20) duty days after receipt of the decision of the Superintendent/designee, notify the District of the intent to submit the grievance to arbitration.

D. Arbitration Provisions

1. Within fifteen (15) duty days of its notice to the Superintendent, the Association shall request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of seven arbitrators, who are qualified to hear public sector grievances or may jointly agree to set up a panel of arbitrators

from which to make a choice. Upon receipt of the panel, the parties shall select, within twenty-one (21) calendar days, an arbitrator by the alternate striking method or other mutually agreeable method, and shall notify FMCS of the arbitrator selected. The parties shall not be precluded from mutually agreeing on an arbitrator not on the panel.

2. If for some reason the arbitrator will be unable to serve or the parties mutually agree that no person on the panel is suitable, the parties shall jointly request the FMCS to submit a new panel of seven arbitrators from which an arbitrator will be selected in the same manner.
3. Arbitration hearings shall be scheduled within sixty (60) calendar days of selection unless the parties agree to extend the timeline or the arbitrator is unavailable within the timeline. All arbitration proceedings shall be conducted under and governed by the appropriate rules of the FMCS.
4. The parties agree to accept the arbitrator's award as binding upon them.
5. The parties shall share equally the cost of arbitration.
6. Should either party request a stenographic transcript of the proceedings, then that party will bear the full costs for said transcript. If both parties mutually agree to a stenographic transcript, then the cost of said transcript will be divided equally between the parties.
7. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on issues submitted.

E. Power of the Arbitrator

It shall be the function of the arbitrator and s/he shall be empowered, except as hereinafter provided, to make a decision in a case of an alleged violation, misinterpretation or misapplication of the provision(s) of this Contract.

1. S/he shall have no power to add to, subtract from, or modify in any way the terms of this Contract.
2. S/he shall have no power to rule on an alleged violation, misinterpretation, or misapplication of School Board Policy, practice or rule, provided said violation is not a misinterpretation or misapplication of this Contract.

Article IV
Management Rights

- A. The parties agree that the right to direct employees, to hire, promote, transfer, assign and retain employees and to suspend, demote, discharge or take other disciplinary action against employees subject only to express provisions respecting such matters in this Contract, shall be solely and exclusively within the responsibility of the Board subject to provisions of State Regulations and the laws of Florida and the United States.
- B. The parties agree that the right to relieve employees from duty because of lack of work or for other legitimate reasons, to maintain the efficiency of the Board's operations, to determine the methods, means and personnel by which the Board's operations are to be conducted and to take whatever action may be necessary to carry out the mission of the Board in situations of emergency shall be solely and exclusively within the responsibility of the Board. The Union recognizes that the Board has a statutory right and obligation in contracting and subcontracting for matters relating to the school system operation. The right to contract or subcontract shall not be used for the purpose or intention of undermining the Union nor to discriminate against any of its members.
- C. The parties agree that no provision of this Contract shall be construed so as to abridge the authority and power of the Board as established by constitutional provision, statute or State Board of Education Regulations in existence at the time this Contract was executed and that the Board shall be relieved of performance or compliance with any term or condition hereof if such compliance is contrary to any constitutional provision, statute or State Board of Education Regulation adopted, enacted or having an effective date subsequent to commencement of the term of this Contract.
- D. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only to the extent that the terms and conditions of this Contract specifically limit such powers.
- E. The exercise of the foregoing rights shall not preclude employees from raising grievances should decisions on the above matters have the practical consequences of violating the terms and conditions of this Contract.

Article V

5. During the workday, Union staff representatives may contact employees only during their lunch and break times except as provided elsewhere by this Contract.
6. Employees who serve as worksite representatives may investigate grievances of other employees from that worksite, provided they notify their supervisor in advance and as long as it does not interfere with the normal worksite operations. This shall not be construed so as to prohibit normal discussion between employees, provided such discussion does not interfere with normal worksite operations.
7. Upon request, the Union shall provide an up-to-date list of the names of all Union representatives to the Board.

C. Communications

1. The Union shall have the right to bulletin board space at each worksite of at least nine square feet but not more than twelve square feet in area, for the purpose of posting materials/communications related to Union business, such as newsletters, programs, training, meeting notices and committee reports.

D. Union Leave

The district will serve as the fiscal agent for the payment of his/her salary, fringe benefits, and fixed charges by placing the president in an assigned department for payroll purposes only. The Union shall reimburse the Board 100% of any and all sums paid to or on behalf of said Union president. The union agrees to hold harmless the School Board for all claims that arise from actions that occur while the OESPA president serves in the office. Optional insurance coverage may be continued by paying the premiums due during the approved leave of absence. Any additional days requested or a waiver of personal leave balance shall be at the discretion of the Superintendent.

 6. Authorization of dues deduction for an employee shall continue from year to year, unless the employee revokes his/her authorization.
 7. An employee, upon submission of a standardized form, may revoke his/her authorization for dues deduction. Such revocation shall take effect 30 days from receipt of such notice. The Union shall be notified of such revocation.

3. The Union shall indemnify and hold the Board harmless against and from any and all claims, demands, suits, or other form of liability that may arise out of or by reason of action taken, or not taken, by the Board for the purpose of complying with the provisions set forth in this article.
 4. The Union recognizes that the Board is expressly prohibited from any involvement in the collection of fines, penalties, or special assessments.
 5. The Union agrees that if at any time during the duration of this Contract the Union authorizes, causes, engages in, or sanctions any strike, work stoppage, or other illegal job action of any kind, the privilege of dues deduction may be revoked during the remainder of the fiscal year.

Article VII

The Union agrees to comply with statutory provisions prohibiting strikes by public employees. In the event of any such violations during the term of the Contract, the Union shall take reasonable steps to ensure the return of employees to work as quickly as possible by:

- A. Delivering immediately to the Board a copy of a notice addressed to all employees repudiating such acts of the employees and ordering them to cease such acts and to return to work.
- B. Taking such other action which the Union deems reasonable and appropriate to bring about compliance with the terms of this Contract.

Article VIII
Employee Rights

- A. An employee shall not be discriminated against because of race, color, creed, sex, national origin, age, handicap or marital status. In addition, the parties recognize that sexual harassment detracts from a professional and comfortable working

environment. As such, the parties agree to work together toward the elimination of discrimination and sexual harassment from the work place.

Employees are encouraged to report any allegations of discrimination or sexual harassment to their administrators or the applicable district-level departments for prompt investigation. Any claims shall be referred to the Office of Equal Employment Opportunity and the employee shall retain all rights to pursue his/her claim through the appropriate federal and/or state agency.

Employees shall not be retaliated against for appropriately reporting discrimination and/or sexual harassment.

- B. The Board agrees that the private and personal life of any employee, including additional employment, are not within the appropriate concern or attention of the Board, provided that these activities do not impair the employee's effectiveness and performance as an employee of the School Board.
- C. The Board agrees to comply with Florida Statutes as they relates to actions in tort for damages as a result of the negligent or wrongful act or omission of an employee while acting in the scope of his/her employment. The Board shall not be responsible or liable for the actions of an employee who acts in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property. Further, if the employee relies on the Board for tort protection the Board may exercise its right to settle any claim for damages brought against the employee in any manner the Board deems appropriate.
- D. The Board, upon request by an employee, may determine to provide legal services for employees who are charged with civil or criminal actions arising out of and in the course of the performance of assigned duties and responsibilities. However, in any case in which the employee pleads guilty or nolo contendere or is found guilty of any such action, the employee shall reimburse the Board for any legal services which the Board may have supplied pursuant to this provision. Each determination of the Board to expend funds for legal defense of an employee shall be made at a public meeting with notice pursuant to Chapter 120 of the Florida Statutes.
- E. An employee shall have the right to legal protection by the Board in any civil or criminal action that may arise out of a work-related incident. The employee shall be entitled to representation as provided for in Article XII. Any employee who refuses to provide a requested statement shall waive his/her right to legal protection by the board.

- H. The Board will repair or reimburse an employee the current value of any clothing or other personal property damaged or destroyed as a result of assault and/or battery or the quelling of a disturbance suffered in the course of the legal performance of his/her assigned duties unless such loss covered by insurance or reimbursement is attained from other sources not in excess of \$250. If it is determined that coverage for verified cases of vandalism to personal property on school premises is permitted by Florida Statutes, such coverage shall be in the amount and under the conditions specified above.
- I. An employee shall be permitted to use necessary and reasonable force to quell a disturbance, to protect himself or others from possible injury, to restrain a disruptive student, or to protect personal property and District property.
- J. An employee shall not be required to find a substitute for his/her approved leave of absence.

Article IX

General Personnel Provisions

- A. Job Descriptions

 - 3. As new/changed job descriptions are developed, they shall be written in conjunction with the job study referenced in Article XV Section F.

Any interruption of service shall result in a loss of seniority, except for employees who are re-employed as a result of a recall from layoff. Time off for Board approved long-term leave of absence without pay shall not count toward seniority but such leaves shall not be considered as an interruption of service.
- D. Personnel Files
1. A personnel file shall be maintained for each employee. The file shall be inclusive of all records, information, data, or materials maintained by the school system, in any form or retrieval system whatsoever, which is uniquely applicable to the employee whether maintained in one or more locations.  - b. An employee, or his/her designated representative shall have the right to examine the entire contents of his/her personnel file, which is maintained in Employment Services Department, or any other location, at a reasonable time in the presence of a staff member having responsibility for the data. Said signature does not necessarily indicate agreement with the contents. If the employee is unavailable for signature, a copy of the document shall be sent by certified mail to his/her last known address, and verification of such will serve in lieu of his/her signature.
 - b. Complaints shall not be placed in the employee's file unless the source is identified and the document has been shared with the employee in a formal meeting.
 - c. Directives shall not be placed in the employee's file unless the source is defined and the document has been shared with the employee in a formal meeting.
 - d. After receipt of any document to be placed in his/her file, an employee may respond in writing. The response will be attached to the document and shall be placed in the file in accordance with Florida Statutes.
4. At the request of the employee, and subject to Florida statutes, written reprimands, directives, material of a derogatory nature or complaints which are two or more years old shall be appended with a notice which states the material is no longer relevant for disciplinary purposes, provided there has not been a recent incident of a similar problem or complaint. For disciplinary documents related to the use of excessive force and/or physical, verbal or other conduct directed against students or employees, and motor vehicle reports, recency shall be five years. This provision shall exclude evaluations.

1. A vacancy shall be defined as a newly created bargaining unit position or a position that has been vacated by an employee, provided the position has not been frozen or eliminated.
2. Employees applying for a promotional vacancy within the bargaining unit shall be given full consideration prior to hiring new employees. Qualifications, evaluation reports and length of service will be considered. The possession of a license or certificate related to an employee's particular skill or trade shall be considered as part of his/her qualifications.
3. Employees requesting a transfer also shall be given full consideration for vacant positions prior to hiring new employees.
4. If requested, affected employees shall be given an explanation as to why they were not promoted or transferred.
5. Advertisement
 - a. The Board agrees to post individual vacancy notices for Resident Custodians and Crew Leaders; clerical positions at grade 9 and above and all other positions at grade 12 and above at all worksites and in the Employment Services Department for a period of twelve calendar days, excluding paid holidays and periods of district-wide shut down. For the purposed of Article X.A.5., the floating (birthday) holiday shall not be considered as a paid holiday in the calculation.
 - b. A listing shall be posted weekly at all worksites and in the Employment Services Department of all vacant positions, showing position title, grade and work location. A copy shall be sent to the Union. All positions except those in subsections 5.a above shall appear on said list before being filled.
 - c. Positions within programs that are funded for a specific period of time shall be so identified on any vacancy notice or job listing.
 - d. Nothing herein shall preclude the temporary filling of positions until such time as a hiring decision is made and implemented. If such temporary appointment comes from within the work location and results in a newly vacated position, this also may be filled on a temporary basis.
 - e. Any employee who temporarily fills a position may be considered, in accordance with Section 6 below, along with other applicants at the time

the position is to be filled on a permanent basis. If the employee is not chosen to fill the position s/he shall be returned to his/her original position at that work location. These provisions shall be applicable to employees from other work locations only upon the approval of both supervisors.

6. Interested employees may apply in writing to the designated contact person within the posting period.
7. The hiring decision for a posted vacancy shall take place within 45 duty days of the closing application date. If the hiring decision is not made within 45 duty days, or if the position is temporarily frozen, it must be re-advertised before being filled. If a candidate does not accept the offer of employment or does not pass the pre-employment process, additional candidates may be selected within the 45 duty days from the candidate pool.
8. Employees who have been interviewed for positions as set forth in 5.a above shall be notified in writing as to whether or not they have been selected for the position.
9. If an employee is hired to fill a temporary instructional position, and the employee subsequently is not hired into a permanent instructional position, s/he shall be returned to his/her original classified position with all appropriate benefits and seniority restored. This shall not be considered as a break in service.

B. Transfers

1. A transfer is a change in an employee's work location. Transfers initiated by the employee shall be considered voluntary. All others shall be considered involuntary.
2. Except as provided in Section 5 below, employees may be involuntarily transferred for reasons such as allocations, organizational changes at the work location or district-wide, or changes in the job description in accordance with Article IX Section A.3.
 - a. To the extent feasible, volunteers shall be sought first. When volunteers are solicited and are insufficient in number, employees shall be transferred in inverse order by seniority.
 - b. When it is not feasible to request/use volunteers, transfers shall be based upon the job description for the position title and any specific knowledge and skills related to the particular position.
3. Before any involuntary transfer is made, a meeting shall be held between the supervisor and the employee(s). The supervisor shall explain the need for the transfer, and the employee(s) shall be given an opportunity to discuss the

transfer. Length of service and geographic location will be given consideration before a final decision is made. Unless mutually agreed by the employee and his/her supervisor to expedite the time limits, the employee shall be given notice of at least five duty days prior to any transfer.

4. The Employee Relations Department shall review unusual circumstances which may require an involuntary transfer of an employee. If the transfer becomes necessary, a meeting shall be held with the employee. S/he shall be entitled to representation, and may request, in writing, the reason for the transfer. Unusual circumstances shall be defined as those circumstances when there is a reasonable belief that the employee's current assignment limits the efficient operations of the district or has an adverse impact on the welfare of students or staff.
5. Employees who are transferred on a temporary basis, pending resolution of a situation involving potential disciplinary action, shall be assured of receiving the same wage as they received prior to the transfer.
6. An involuntary transfer list shall be compiled at the end of the school year for non-probationary employees who would otherwise be identified for layoff for the following school year due to a reallocation of human and/or financial resources at the work location. These employees will be notified and provided assistance in securing a position for which they are qualified, and shall be placed before any probationary employees as identified in Section F.1.b. are rehired.
7. When placing an employee identified as an involuntary transfer, consideration shall be given to seniority and then by the best position available as determined by days and hours within the current job title.

C. Re-assignment

1. Re-assignment as used herein shall refer to a change in an employee's position title.
2. Employees may be re-assigned within their classification (chapter) for reasons such as allocations, organizational changes at the work location or district-wide, or changes in job descriptions.
 - a. To the extent feasible, volunteers shall be sought first. When volunteers are solicited and are insufficient in number, employees shall be re-assigned in inverse order by seniority.
 - b. Any re-assignment to a position outside of classification or from a 12-month to a 10-month position shall be voluntary, or subject to the layoff procedure.

3. If any re-assignment results in a reduction in hours per day, Section E also shall apply.
4. The parties recognize that an employee may be reassigned on a temporary basis due to another employee's extended absence of more than ten (10) duty days. If the reassignment is to a higher pay-grade, the employee who is so reassigned shall be assured of the higher pay-grade during that time beginning on the first day of the reassignment.
5. An employee who substitutes for at least 2.5 hours of student contact time one-half (1/2) day or longer for a teacher who is absent, shall be paid the supplemental rate of ~~\$5.00~~ \$20. per day for said day. If the employee has completed the District ~~sponsored~~ endorsed Substitute Teacher Training ~~they~~ he/she shall be paid the supplemental rate of ~~\$10.00~~ \$30.00 per day. Substitute training shall be provided at no cost to the employee.

D. Promotion

1. Promotion is the advancement of an employee to a higher grade position within the bargaining unit, whether through the filling of a vacancy or the upgrading of the employee's existing position.

Any employee who is promoted shall be assured of at least a three (3%) percent increase per grade up to a maximum of twelve (12%) percent, or an adjustment based on documented job related experience as defined in Article XV.B.1 whichever is greater. Both are subject to the minimum and maximum wage rates for the new pay grade.
2. Permanent substitutes who complete a four year degree shall be promoted to the applicable pay-grade upon verification of the degree, retroactive to the date the degree was awarded or to the beginning of the current fiscal year, whichever is later.
3. Effective 2011-2012, any employee, without a break in service, who has previously worked at a higher pay level, will have the promotional increase calculated with that in consideration. At no time will the employee be earning less at the new level as they have previously earned at that same level. Calculations will be reviewed and a final determination will be made by the Senior Director of Compensation.
4. Basic, Title 1, Bilingual, Computer Lab, Exceptional Ed, and all Program Assistants in the educational paraprofessional job family who complete the educational requirements listed in the Certified job descriptions shall be promoted to the applicable pay grade and job title upon verification; retroactive to the date the requirements were met or to the beginning of the current fiscal year, whichever is later.
5. The Board agrees to use the criteria established through the job classification project in upgrading employees.

- a. Requests for a position upgrade will be normally initiated by the supervisor; however an employee may request consideration for an upgrade. Should such position not be recommended by the supervisor for an upgrade, the employee shall be given an explanation, if requested.
 - b. Any recommendation by a supervisor for a position upgrade must be submitted to Compensation Services within 30 duty days from the time it is formally initiated at the worksite. Once received at the District level it shall be processed within 30 additional duty days. If the position is upgraded, the employee shall receive the applicable wage increase retroactive to the date of final approval or 60 duty days from the date of submission, whichever is earlier, however there shall be no retroactivity to any time prior to the beginning of the current fiscal year. Compensation Services will notify the employee, in writing, of the final determination.
 - c. An employee may request a review of an upgrade denial. This review shall be completed within 45 duty days, and include an interview of the employee, upon request. The final disposition of an upgrade shall not be subject to the grievance procedure.
6. If, within 30 duty days of the employee being promoted, in the judgment of the supervisor, the employee's quality of work is not such as to merit continuation in the new position, or the employee requests a transfer to his/her original or similar position, s/he may be returned to his/her original position provided a vacancy exists within 60 days. The employee's rate of pay shall then be adjusted to that in effect for the lower position.

E. Reduction in Hours

1. If a reduction in hours becomes necessary, the Board shall first seek volunteers.
2. If there are no volunteers, the reduction in hours shall come from among those affected employees at that work location with less than one of year seniority.
3. For paraprofessional employees, the reduction shall be subject to the following:
 - a. The principal shall notify all employees in the affected position title(s) of the need to reduce hours, and potentially affected employees shall be given an opportunity to provide input to the principal.
 - b. Following the receipt of input from employees, the reduction in hours shall be determined by the principal, within the parameters set forth in section 2 above.

4. If a further reduction in hours is necessary because there are no paraprofessional employees with less than two, or other affected employees with less than one, year of seniority, then the least senior affected employee shall be reduced in hours.
5. If a reduction in hours would result in an employee working less than four hours per day, that employee shall be transferred. In the event there are no similar positions, or related positions for which the employee is qualified, the employee shall be identified for layoff in accordance with Section H. This provision shall not apply to employees with less than one year of seniority.
6. If Board paid health insurance coverage is reduced as a result of a reduction in hours of an employee with more than one year seniority, the employee may request, and shall be given priority consideration, for a transfer to a position with full-time insurance coverage, for which s/he is qualified.
7. Any other employee whose hours are reduced by more than one per day shall be provided, upon request, assistance in identifying positions in the District for which s/he is qualified.

F. Probation

1. All newly appointed employees will be placed on probationary status during their first year of employment. During the first 120 duty days of active employment, excluding summer breaks unless worked, the employee may be terminated upon written notice.
 - a. During the balance of the first year of employment, and through the employee's anniversary date, the employee may be terminated for conduct or performance related reasons, or as set forth in Section b. below. Performance related reasons shall include written documentation of less than satisfactory work which has been formally called to the employee's attention and/or conduct related matters which form or formed the basis for disciplinary action greater than a verbal reprimand. An employee being dismissed for performance related reasons only shall be assured of a minimum of three days' notice or three days of severance pay in lieu of notice.
 - b. An employee who is within his/her first year of employment may be terminated at the end of the current school year for reasons such as organizational changes at the work location or district-wide, reallocation of human and/or financial resources, or decreases in/or the elimination of project funding. The Employment Services Department will make a reasonable effort within the subsequent 30-day period to assist these employees in finding another position for which they are qualified.
 - c. The substantive reasons for termination for a probationary employee shall not be subject to the grievance procedure.

2. Leave without pay, workers' compensation leave, and/or light duty work days shall not apply toward the probationary period.
3. During the probationary period, benefits will accrue the same as for employees in permanent positions, except that if the probationary employee terminates for any reason at the end of his/her probationary period or before, no accrued annual leave shall be credited to the employee.
4. Any terminated probationary employee shall be provided written notice of his/her dismissal. The employee shall be given the opportunity to discuss the dismissal with his/her supervisor, if requested, prior to the end of his/her last duty day.

G. Resignation

An employee who plans to resign shall give at least ten duty days' notice unless waived by the supervisor. The notice shall be in writing and reflect the employee's last duty day. If the employee is unavailable for submission of a signed notice, the supervisor shall confirm the resignation and the employee's last duty day by certified letter to the employee's last known address on file. The resignation shall be acted upon by the Board, in accordance with Florida Statutes.

H. Layoff

1. The Board shall determine the position titles in schools, departments and work locations from which employees are to be laid off, and hiring for affected positions shall be frozen. A meeting shall be held with the Union prior to any layoff.
2. Except as outlined below, positions shall be considered by position title.
 - a. The following combinations of positions shall apply:
 - (1) Positions within the same trade, exclusive of trades technicians
 - (2) School food service assistants
 - (3) Uniformed Security Officer and Shift Coordinator
 - b. The following positions shall be considered individually; to the extent that the specific job knowledge and skills required to perform the job duties of these employees are not the same.
 - (1) Administrative Specialists
 - (2) Database Coordinator
 - (3) Educational Interpreter Aides

(4) Logistic Techs

(45) Network Operators

(56) Program Assistants, Career and Technical Education

(67) Program Assistants, District ESE Specialist

(8) Program Coordinators

(9) Trades Technicians

c. Any additional combinations of positions must be mutually agreed to by the parties.

3. The following procedures shall be used in laying off employees:

a. Employees will be laid off within their position title in the inverse order of their seniority. If employees have the same seniority, the employee to be retained shall be determined by lot.

b. As soon as an employee is notified of his/her pending layoff, s/he shall notify his/her supervisor and the Employment Services Department if s/he is interested in being assigned to any other position for which s/he is qualified.

c. Employees identified for layoff shall be placed in vacant positions for which they are qualified. An employee shall be first offered a vacant position at his own school/department and if there are no such vacancies, an offer shall be made for a position in another school/department. Acceptance of a vacant position shall carry no guarantee of the same pay grade, number of hours per day or number of days per year.

d. The above offering of positions shall be performed in order of greatest seniority in the position titles from which the employee is to be laid off.

e. No new employees within the affected position titles shall be hired before all employees to be laid off have been offered a position.

f. In the event an affected employee is not offered, or declines, a vacant position, s/he shall be subject to layoff.

4. The Board, for a period of one-year following layoff, shall maintain a layoff register and shall recall former employees by position title when vacancies have occurred. No new employees shall be hired into the position title until all former employees similarly situated on the layoff register have been recalled.

a. Employees who have served in any other position title within a three-year period immediately preceding layoff may choose to be placed on the recall list for any of those position titles, by notifying the Employment Services Department in writing within ten duty days of receipt of their

notice of layoff. Such employees shall be subject to the same provisions as set forth in the above section.

- b. When employees are recalled from layoff, the employee with the greatest seniority shall be recalled first. Such recall shall be district-wide, except that if an employee refuses the first offer of employment for a position in a school, department or work location other than the one from which s/he was laid off, the Board shall have no further obligation to place the employee district-wide. The employee, in such cases, shall remain on the recall list for his/her particular school, department or work location, unless s/he also refuses an offer of employment to that work location, in which case the Board shall have no further obligation to the employee for any recall.
 - c. Recall shall be made by certified mail to the last known address of the employee. Within ten duty days of the certified receipt date, laid off employees must signify their intention of returning to work to the Employment Services Department. Failure to respond to the notice shall constitute a resignation by the employee.
 - d. If a laid off employee, when offered recall, is temporarily unable to return due to medical reasons, s/he may request an extension of recall rights, not to exceed two months.
 - e. Employees who are re-employed as a result of a recall from layoff shall not receive a loss of seniority nor shall there be a change made to the consecutive service date for the position that the employee held immediately prior to their layoff.
5. The Board shall assist laid off employees in identifying and applying for other positions for which they may be qualified, during their layoff period. Laid off employees may use job counseling and/or enroll in job training programs as may be offered by the Board during their layoff.
 6. In applying the provisions of Section 1. above, work location shall not be a factor in determining layoff for facility trades, transportation trades, bus operator and bus monitor positions. These shall be determined by position title district-wide in inverse order according to seniority.
 7. All employees identified for layoff shall be provided written notification of these provisions.

Article XI
Evaluation

- A. All employees shall be formally evaluated at least once annually. This annual evaluation shall occur no later than April 15.

- B. The formal evaluation shall serve as a basis of discussion for recording satisfactory performance by an employee and where an employee's performance is unsatisfactory.
 - 1. The employee shall receive, in a confidential manner, a completed copy of his/her formal evaluation. The supervisor and the employee shall sign and date the completed form. The employee's signature shall not necessarily imply agreement with the evaluation, but acknowledge receipt. The employee shall have the right to discuss the evaluation with the supervisor.
 - 2. If the employee is unavailable for signature, the form shall be sent by certified mail to his/her last known address on file.
 - 3. The employee shall have 20 duty days to respond in writing to the evaluation and said response shall be a part of the evaluation report.
 - 4. A less than satisfactory evaluation shall not serve as prima facie evidence of the facts therein in any later situation when dismissal is being considered.
 - 5. Any unsatisfactory evaluation prepared for an employee's file upon his separation from the district shall be contingent upon compliance with the provisions of this article.

- C. If matters arise which may result in an unsatisfactory rating in any area on the evaluation report, such matters will be discussed with the employee in a formal meeting within a reasonable time but not to exceed 90 calendar days. Said meeting shall include specific recommendations for improvement. These recommendations shall be referred to as a Classified Improvement Plan (CIP) and reduced to writing, along with a reasonable time for completing this CIP prior to the conference in Section B.1. above. An unsatisfactory rating based on matters arising within 90 calendar days prior to the evaluation conference may be used, provided the other requirements of this Section have been met.
 - 1. A copy of the CIP with the specific recommendations for improvement shall be given to the employee, who shall have an opportunity to respond, in accordance with Section B.3. above. The supervisor shall bring to the employee's attention failure to comply with the specific recommendations from the CIP in a timely manner.
 - 2. In cases of alleged incompetence, or continued inability to satisfactorily meet performance standards for the job, compliance with Article XII shall be met.

- D. The judgment of the supervisor shall not be subject to the grievance procedure.
- E. No change shall be made in the standard form used by the Board until after consultation with the Union. Such discussion shall occur by October 1, or at a time mutually agreed to by the parties, before changes are made for the subsequent year.

Article XII
Discipline

A. General Provisions

1. Discipline of an employee shall only be for just cause. Discipline may be imposed only for a violation of an expressed rule, an expressed order, an expressed policy, and/or reasonable expectation of management, which reasonably should have been known to the employee. Prior to the imposing of any form of discipline, a fair and objective investigation shall be conducted. Under normal circumstances matters known to the supervisor, which may be used to discipline employees, shall have been brought to the employee's attention within 30 calendar days.
2. Disciplinary action appropriate to the circumstances may take one or more of the following forms: dismissal, suspension without pay, verbal reprimand, and written reprimand. While disciplinary action shall normally be progressive, whereby the severity of the violation, past violations of a similar nature, and past disciplinary action for those violations are all taken into consideration, a given form of discipline need not necessarily be preceded by a less serious form of discipline. Except in cases of absence without authorized leave, progressive discipline shall apply to cases relating to absenteeism.
3. The Board may dock an employee's pay as a form of discipline in matters which relate to time off the job.
4. The following shall be grounds for suspension without pay for a specified time period or for dismissal: conviction of any crime involving moral turpitude, drunkenness, gross insubordination, immorality, misconduct in office, willful neglect of duty, or continued failure to satisfactorily meet performance standards for the job.
5. If during the course of an investigation it is determined that the employee's continued presence on the job may be threatening to the health and/or safety of students, other employees, or the facility, the employee may be relieved of duty with pay. The employee shall receive written notification, in a timely fashion, of the relief of duty which shall include a statement as to the basis for

this action. A copy of the notice shall be sent to the Union. Relief of duty with pay during an investigation shall not be considered disciplinary in and of itself.

6. An employee shall be entitled to representation in any meeting with the administration when the employee reasonably feels that discipline may result.
7. Only supervisors shall be permitted to discipline employees.
8. If, during a disciplinary investigation, the employee is questioned regarding an incident, and s/he does not respond at that time, reasonable time shall be given for a response. In the absence of a timely response, the supervisor shall proceed based on the information known at the time.
9. The supervisor's questioning of an employee and/or the offering of reasonable direction regarding any incident which later might be dealt with in a disciplinary manner shall not be considered an oral reprimand.
10. If matters arise which indicate the need for disciplinary action during a time when an employee is not required to be on duty, no action shall be taken until such time as s/he is required to be on duty or has received notification of the proposed action, whichever occurs first. Written notice via paid courier to the employee's last known address shall be considered a reasonable attempt at notification.

Article XV

Wages

- A. The wage schedule for the 2013-2014 and 2014-2015 fiscal years for all classified employees shall be as set forth in Appendix A-3. Hourly wage increase adjustments shall be effective July 1, 2013. All employees in classifications grade 02 to 09 will receive a pay adjustment of \$.25 per hour and all employees in pay grades 10 to 18 will receive a pay adjustment of \$.35 per hour. See Appendix A-1 and A-2 for classified jobs listing and respective pay grades.

A.1

As part of a mid-year negotiation, and as a result of the second calculation and the certified tax rolls released in July, 2013, the Board offered classified employees a second raise to their hourly rate of pay. The raise equates to an additional \$.10 per hour and will be retro paid to July 1, 2013. Employees eligible for this additional \$.10 are those who received the \$.25/\$.35 per hour increase referenced in A above.

The \$.10 per hour increase will be applied to the employee's current hourly rate. If the employee experienced a classified position change on or after July 1, 2013, the \$.10 will also be added to the hourly rate of his/her previous positions for the purpose of calculating their retro pay.

B.

In addition to the hourly rate adjustment, all employees who have worked in a classified position one day over half of the 2012-2013 school year will receive a 2.5% pay increase.

Employees who have not worked one day more than half of the previous work year will not be eligible for the 2.5% pay increase.

Example: If you are in pay grade 2, and are making \$10.00, you will receive a \$.25 per hour pay increase. To calculate your new hourly rate, simply add \$.25 to \$10.00 for your new hourly rate of \$10.25.

If you have worked one (1) day over half of the 2012-2013 work year, you will receive a 2.5% increase on top of the \$10.25. To calculate this, multiply the \$10.25 by 1.025. This equals \$10.51.

C. Individual Wage Determination

1. For employees whose position changed effective July 1, 2013 or later, the annual raise will be calculated on the job held as of June 30, 2013. The respective pay for the position change will be recalculated in accordance with Article X, D, 1, a & b.

EXPERIENCE	PAY RATE
Less than one full year of experience	Grade Minimum
One full year, but less than two years	Minimum plus 1%
Two full years, but less than three years	Minimum plus 2%
Three full years, but less than four years	Minimum plus 3%
Four full years, but less than five years	Minimum plus 4%
Five full years of related experience or more	Minimum plus 5%

Under extenuating circumstances where there are critical skills and/or experience required and job candidates are very limited, a starting wage up to 10% above grade minimum may be utilized. This shall require mutual agreement between the supervisor and the Compensation Department.

2. An employee shall be considered new through his/her first anniversary date. In order to receive credit for previous employment, documentation for previous experience credit must be received by Human Resources prior to the employee's first anniversary date.

3. Former employees who are rehired shall be granted applicable credit for all related District experience subject to schedule C.1. above except that former employees who are re-hired after retiring under any Orange County Public Schools retirement incentive shall be placed at the minimum of the applicable wage range.
4. Effective July 1, 2010 a new employee shall be paid at the grade minimum for his/her position until such time as verification of work experience is received by Employment Services. For work experience verification submitted during the employee's first year of employment, the employee's wage rate shall be adjusted retroactive to the date of benefited employment or the beginning of the current fiscal year, whichever is later. For work experience verification submitted after the employee's one year anniversary, the employee's wage rate shall be adjusted on the pay period following the date the verification is acknowledged in writing by Employment Services.
5. Although all experience documentation may not be related, such documentation shall remain on file.
6. An employee may request a reevaluation of his/her experience documentation on file in the event s/he changes to a new position with different job duties and/or skill requirements. Any adjustment in experience credit shall be to the start date in the new position or to the pay period in which the employee requested the reevaluation, whichever is later.
 - a. If the employee's new position is related to his/her former position to the extent that experience credit granted in or for the former position continues to be applicable, such experience credit shall be carried forward. In cases of promotion within classification, Article X.D. shall take precedence.
 - b. If the employee's new position is not related to the extent that the former experience credit is no longer applicable, provisions of section C.1. shall apply.
 - c. These provisions shall not be applicable for any position change made prior to ratification of this Contract.
 - d. Each employee shall be given written notification of the above provisions when hired.
7. For employees who accept a related position at a lower grade, placement within the new position's range shall be at the same percentage as that of the previous position's range, subject to the maximum for the new grade.

If the employee had previously held a position at the lower grade, the employee's pay will be reduced by the same percentage of the pay increase the employee received moving to the higher pay grade. The employee will return to the previous rate of pay with any negotiated pay increase added. At no time will the employee earn less than the hourly rate previously earned in the lower graded position if there has been no break in service.

 - a. Wages for employees who are promoted and are then downgraded within a twelve-month period shall be calculated by applying Article

X.D.1.a. to the wage for the position held prior to the promotion. Any negotiated pay increases will apply.

- c. Extenuating circumstances will be reviewed and a final determination will be made by the Senior Director of Compensation Services.
- D. Each School Food Service Assistant who on a regular basis drives a van for a satellite school shall be paid an additional \$.14 per hour.
- E. The Board may provide for recognition of employees who have contributed outstanding and meritorious service in their fields and adopt and implement the program of meritorious service awards to employees who propose procedures or ideas which are adopted and which will result in eliminating or reducing School Board expenditures or improving School Board operations. The School Board is authorized to expend funds for such recognition and awards. Any award granted under the provisions of this paragraph shall not exceed \$2,000 or 10% of the first year's gross savings, whichever is less. The Union shall be sent a copy of any awards granted under this section.
- F. The Board shall maintain the current point factor job evaluation system and the applicable job factors, which were mutually agreed to by the parties as a result of the 1997-98 classified job study. The Union shall be kept apprised of the process and any new grade changes shall be subject to negotiations.
- G. Method of Payment
 - 1. The Board agrees to issue biweekly paychecks via direct deposit using an electronic, paperless delivery method. Employee access to electronic copies of his/her paychecks will be through the OCPS portal.
 - 2. The number of paychecks issued to less than 12 month employees shall be based upon the length of time from the first to the last duty day of their work year subject to Section 3, 4, and 5 below.
 - 3. If the scheduled payday falls on a non-banking day, paychecks shall be issued on the last business day before the non-banking day.
 - 4. For new employees whose application for Direct Deposit is still being processed, and their first pay date is during extended non-workdays (such as Thanksgiving week, Winter Break or Spring Break), the paycheck/stub will be mailed to their home address for delivery by the scheduled pay date.
 - 5. Overtime pay shall be applied to the pay period in which it was earned, to the extent feasible.
- H. Any changes in the pay grade schedule shall be negotiated by and between the parties.

- A. A bus operator's paid hours shall include all hours worked. Hours worked shall be defined as: scheduled route time, extra time, and field trips. A scheduled route time shall include pre-trips, post-trips, and all regular route time.

- B. Seniority within Transportation Services shall be defined as the total length of continuous service with the Board in a benefited position as a bus operator/monitor, and to include a CDL holder who has driven an OCPS school bus within one year of the bid process. This excludes long term leaves(s) of absence per contract. This definition shall only apply to bus operators and bus monitors and shall only be used for participating in the bid selection process. The definition of district wide seniority shall apply to all other seniority issues not pertaining to the bid selection process.

- C. The Board shall provide bus operators who are available for extra trips the opportunity for at least 30 hours of driving time per week during their regular work year, subject to the following:

 - 2. Bus operators who have less than six years of seniority must be available for daytime extra trips, and those held on weekends and/or in the evenings.
 - 3. Bus operators who opt for inclusion under this section must do so for the full school year and will be subject to the following provisions:
 - a. Except under extenuating circumstances, bus operators opting out of the extra trip program may not re-enter the program for twelve calendar months.
 - b. Bus operators who fail to notify the extra trip office at least 48 hours in advance that they will be unable to fulfill their extra trip obligation may be removed from the extra trip program for up to twelve calendar months after three occurrences.
 - 4. Nothing herein shall preclude the assignment of non-driving duties in an effort to meet the 30 hours referenced above.
 - 5. The above provisions shall also be applicable to drivers of side-lift buses. However, drivers of side-lift buses shall be provided the opportunity for a minimum of six (6) hours per day and not be precluded from applying for extra trips.

6. In the event there are financial constraints and the Board is unable to meet the criteria set forth above, in Sections 1 and 2 above the parties shall develop a seniority based plan for scheduling hours, separate from Article X, Section E.
 7. The Board shall make a reasonable effort to notify drivers of extra trip assignments at least 48 hours in advance.
 8. The provisions of Section B above notwithstanding, it is understood that there may be county-wide activities when other drivers may be assigned required extra trips.
- D. Drivers participating in programs that run during student vacation periods will be given the first opportunity for working these additional days.
 - E. Designated radio relief bus operators shall be scheduled for 8 hours per day during the normal school year.
 - F. Bus monitors shall be scheduled a minimum of five hours per day during the normal school year. They shall be paid at their regular hourly rate for attendance at required in-service meetings.
 - G. The Board shall attempt to maintain working hours for bus operators and monitors from one year to the next, subject to Section B.7. above.
 - H. The parties recognize that student discipline is enhanced by cooperative efforts between drivers and school-based administrators. Drivers shall refer disruptive students to the principal or designee on a referral slip provided by the Transportation Section. Drivers may make a recommendation regarding disposition of each referral. The referral slip will contain a place for the principal or designee to inform the Transportation Section of the action taken. Drivers shall be apprised of the disposition of each referral.

- M. The Board shall provide a voucher for the purchase of uniforms for all school bus operators, lead bus operators and bus monitors upon completion of their first ninety days of employment in a benefited position. The voucher for the first year shall be for a total of five (5) tops and three (3) bottoms. The second and subsequent vouchers will be issued on the uniform anniversary date for a total of four (4) pieces, two of which may be substituted for a jacket.

APPENDIX C

SICK LEAVE BANK

The Orange County Public Schools Employees Sick Leave Bank, hereinafter referred to as the SLB, is designed to ease the financial impact of serious illness, accident or injury. Although not an exclusive list, typical usage would be for heart attack, cancer, serious automobile accident or major surgery. Serious illness shall be defined as being hospitalized, homebound under psychiatric care, temporarily totally disabled, and/or not able to perform the majority of the Activities of Daily Living (ADL). This definition shall be applicable to all references to illness/accident/injury throughout this appendix.

A. Membership

1. The SLB shall have two enrollment periods yearly, during the first 30 calendar days of the first and second semesters.
2. Any employee with one or more years of service and having at least six days accrued sick leave may enroll in the SLB. The employee shall complete a SLB enrollment form and contribute one sick leave day to the SLB at the time of enrollment. Membership is effective immediately following the close of the enrollment period. The six days accrual may occur at any time during the enrollment period.
3. Sick leave days contributed to the SLB shall be deducted from the accrued sick leave balance of the member. Such days shall not be returned except as a benefit as set forth in Section C.
4. All members shall contribute an additional sick leave day if the balance of the SLB is diminished below 300 days. Assessment shall be automatic and each member shall be sent a notice of such. If a member is unable to contribute an assessed day, assessment will occur as soon as a sick leave day is earned unless a member is receiving benefits from the SLB.

5. Members who are retiring shall be permitted to donate any portion of their unused sick leave days to the SLB.
6. Any member who wishes to discontinue membership in the SLB may do so during any enrollment period by submitting a withdrawal form prior to the end of the enrollment period. Receipt of the withdrawal form shall terminate all rights and obligations under the rules of the SLB as of the end of the enrollment period.
7. If the SLB cannot maintain a balance of at least 300 days after replenishment, it will be terminated when the total number of days has been exhausted.
8. Members shall not have to pay back in any manner the number of days used from the SLB except as outlined in the Abuse of Benefits Section and Eligibility Section.

B. Administration and Governance

1. A SLB Committee designated by the Superintendent will administer the SLB and determine the validity of claims against the SLB. The SLB Committee shall include health care professionals (two non-voting) from the plans in the Benefits Trust, the CTA president or designee, the OESPA president or designee, the Orange County Service Unit Executive Director and three District administrators. Such determination shall be expedited in cases of extreme hardship.
 - a. Step 1: The initial decision is made by a designee(s) of the committee and sent to the employee.
 - b. Step 2: If the claim of the member is denied, an employee may request, in writing, an appeal of the decision within five duty days of receipt of the denial. Such decisions will be appealed to the full Committee. The decision of the full Committee is final.
2. Quarterly reports of usage of the SLB shall be available to members. A copy shall be provided to the Union and the Fringe Benefits Committee. The report shall include the number of days used and the reasons for usage.

C. Eligibility for Benefits

1. A member shall be eligible for benefits for any single illness/accident/injury following 15 duty days of absence within a thirty duty day period.
2. Subject to Section A.7. above, a member may draw from the SLB up to a maximum of 100 paid sick leave days per twelve-month period commencing on the first day of paid sick leave from the SLB. The lifetime maximum for any one illness, accident or injury shall be 100 days.

3. In the event a member draws a total of 100 days over any period of time from the SLB, such members shall reinstate their membership by re-establishing eligibility per section A.2.
 4. Illness or conditions which were known to exist prior to an employee becoming a SLB member shall not be covered for the first twelve months of membership.
 5. A member shall be eligible for the use of sick leave from the SLB if the member is on Workers' Compensation. Sick leave days drawn from the SLB shall be prorated downward according to the percentage of the daily rate not paid through Workers' Compensation.
 6. The SLB will not provide benefits to those members having surgery which is not medically necessary, as defined by the OCPS medical plans.
 7. The SLB shall not provide benefits for normal maternity-related cases where being homebound is recommended as a precaution to bring the pregnancy to full term.
 8. **SCHOOL BOARD OF ORANGE COUNTY
ORANGE COUNTY, FLORIDA
SAFE DRIVER PLAN**

INTRODUCTION:

The School Board of Orange County wishes to ensure that it provides the safest means of transportation possible for its students and employees and for this purpose has adopted this Safe Driver Plan. Every employee covered by this Plan is expected to establish and maintain an overall driving record, which exemplifies careful driving habits.

WHO IS COVERED:

This Safe Driver Plan covers all employees who operate a District-owned/leased vehicle, hereinafter referred to as a District vehicle, and are covered by the Omnibus Transportation Employee Testing Act (OTETA). It applies to both the driving of the District vehicle as well as the employee's personal vehicle. One facet of this Plan involves the monitoring of the driving records of these employees.

This Safe Driver Plan is effective October 1, 1996. Any points accumulated since August 1, 1995 will be converted to the point system incorporated herein.

HOW THE PLAN WORKS:

This Safe Driver Plan is based on a point system, whereby points are applied to a variety of driving violations. The accumulation of a certain number of points within a specific time period may result in disciplinary action against the employee. If the DMV changes its point system to reflect an upward or downward adjustment, or adds to or deletes violations currently listed, the Plan shall be adjusted in the same manner.

Covered employees are required to report all infractions in their personal vehicles, as well as District vehicles. Failure to do so may result in additional points, which increases the potential for disciplinary action.
